

What are *you* doing this summer? Rev up your plans with the ...
**SAME Army, Air Force or Marine Corps
 Engineering and Construction Camp Experience...**
and let SAME help foot the bill!

What's Up...

❖ At SAME Engineering and Construction Camps, high school students from across the country learn engineering solutions and skills from professional engineers while getting a taste of what it means to work for and with the military services. These exciting week-long camps take place during the summer months in a variety of settings—the colorful Colorado Rockies, the historic Mississippi Valley or the surrounding beaches of Jacksonville, North Carolina.

❖ Student must have expressed an interest in pursuing a degree in engineering, architecture or related field.

❖ SAME Jacksonville Post will fund transportation cost and one-half the registration fee (1/2 of \$580) for USAF, and Marine Corps Camps, Post will fund transportation cost for US Army Camp (student funds \$50 registration fee and will be reimbursed)*
