

SOCIETY OF AMERICAN MILITARY ENGINEERS

Engineering and Construction Camps

What are YOU doing this Summer?

The Society of American Military Engineers offers a very unique series of engineering camps designed for High School students who excel in math, science and technical courses and are interested in pursuing engineering in college. These one-week camps are high energy, hands-on events for students from across the country and around the world. The camps are led by a professional staff of engineers from both private industry and the military services. These exciting week-long camps take place during the summer months centered on a military base in the colorful Colorado Rockies, or the historic Mississippi Valley.

Each camp has its own unique focus and theme and is a one-of-a-kind opportunity to learn what engineers do from professional engineers, learn practical skills and gain exposure to the military services. Your first step is to determine if you are eligible and then go through the application process for the camp you select.

U.S. Army Camp

June 7 - 13, 2015
Application Deadline:
March 20, 2015

U.S. Air Force Academy Camp

June 25 - July 1, 2015
Application Deadline:
April 10, 2015

U.S. Marine Corps Camp

June 21-27, 2015
Application Deadline:
April 10, 2015

Eligibility Requirements

- Student must be a U.S. Citizen.
- 15 years old and completed freshman year at the time he/she departs for camp.
- Have an **expressed intent to pursue a degree in architecture, engineering or a related field.**
- Demonstrated leadership through extra-curricular activities, sports, and/or community activities.
- Minimum GPA of 3.5 on a 4.0 GPA scale.
- Be physically fit and healthy and high moral character.
- Sponsored by a local SAME Post.
- See the [Camp Application Process](#) for more details.

ADDITIONAL FOR THE USAFA CAMP:

If the student is completing their junior year of high school, they must provide some proof of an **expressed interest** in applying to a Service Academy or ROTC Program (this does not include JROTC).

Monetary Info

The student is responsible for half of the registration fee, or about \$290-300. SAME Jax Post will pay the remainder and associated transportation costs, up to \$1,000.
