AREAS OF RESPONSIBILITY

- CIVIL WORKS**
 - Portions of Florida and Georgia (defined by watersheds)
- REGULATORY**
 - Florida
 - Puerto Rico and the Antilles
- REAL ESTATE AND MOBILIZATION**
 - Portions of Florida and Georgia
- MILITARY**
 - Florida
 - Jacksonville covers SRM and IIS only
 - Mobile District covers MILCON
 - Puerto Rico, Antilles, and Caribbean Basin
 - Jacksonville responsible for Project Management of MILCON, IIS & SRM.
 - Note: TF VIPR is responsible for construction/contract admin in PR & VI

- Our Vision**
- To be a great engineering force of highly disciplined people working with our PARTNERS to deliver innovative and sustainable solutions to the Nation's engineering challenges.

- Our Goals**
- Ready for All Contingencies
 - Engineering Sustainable Water Resource Solutions
 - Building Effective, Innovative Engineering Solutions
 - Recruiting and Retaining Strong Teams

Jacksonville District FY25 Top 5 NAICS

Rank	NAICS	NAICS Description	Dollars
1	236220	COMMERCIAL AND INSTITUTIONAL BUILDING CONSTRUCTION	\$14,649,994

First Things First

If you are new to Government contracting, we advise that you take a few steps before pursuing USACE contract opportunities. We want you to be prepared to perform successfully on a Government contract and continue to partner with us for years to come!

- Register your company as an entity at *SAM.gov.
- Understand the small business programs available through the SBA.
- Determine what agency or agencies buy what you sell!
- Understand how the Federal Government procures supplies and services.
- Search for specific opportunities and notices by NAICS, location, agency code, etc. via SAM.gov.
- Visit with your local APEX Accelerators.

* Note: During the registration process, you must indicate you want to participate in the Disaster Response Registry and provide the required information on the Disaster Response Information page within the Assertions module. Once your registration is active, you will be added to the Disaster Response Registry and contracting officers will be able to locate your company through the Disaster Response Registry Search.

U.S. ARMY

US Army Corps
of Engineers®

First Impressions – Capability Statements

- The Value of Time:
 - Don't waste an opportunity to make a favorable impression!
 - Don't waste the Contracting Official's time.
 - Know the customer's mission and something about their buying habits.
 - Where possible provide a well-designed capability statement (2-3 Pages)
 - Tailor your presentation based on the customers needs.
 - Discuss relevant topics during the presentation.
- Don't confuse the government agency's roles – The Small Business Office, SBA, and APEX should help prepare you for event; not the Contracting Officer!
- When you appear before the Contracting Officer or Gov't Official – Their response: Welcome to the big league; show me your skills please!

Jacksonville District Small Business Website

Jacksonville District Small Business Office

The Jacksonville Small Business Office develops small businesses and maximizes their opportunities to participate in Corps procurements, ensuring a broad base of capable suppliers to support the Corps' mission and strengthen the nation's economic development. The Small Business Program seeks Women Owned, B(a), Historically Underutilized Business Zone Empowerment (HubZone) and Service-Disabled Veteran-Owned businesses, as well as Historical Black Colleges and Universities, and Minority Institutions that are interested in doing business with the federal government.
